HONOLULU CONRAC UP-DATE

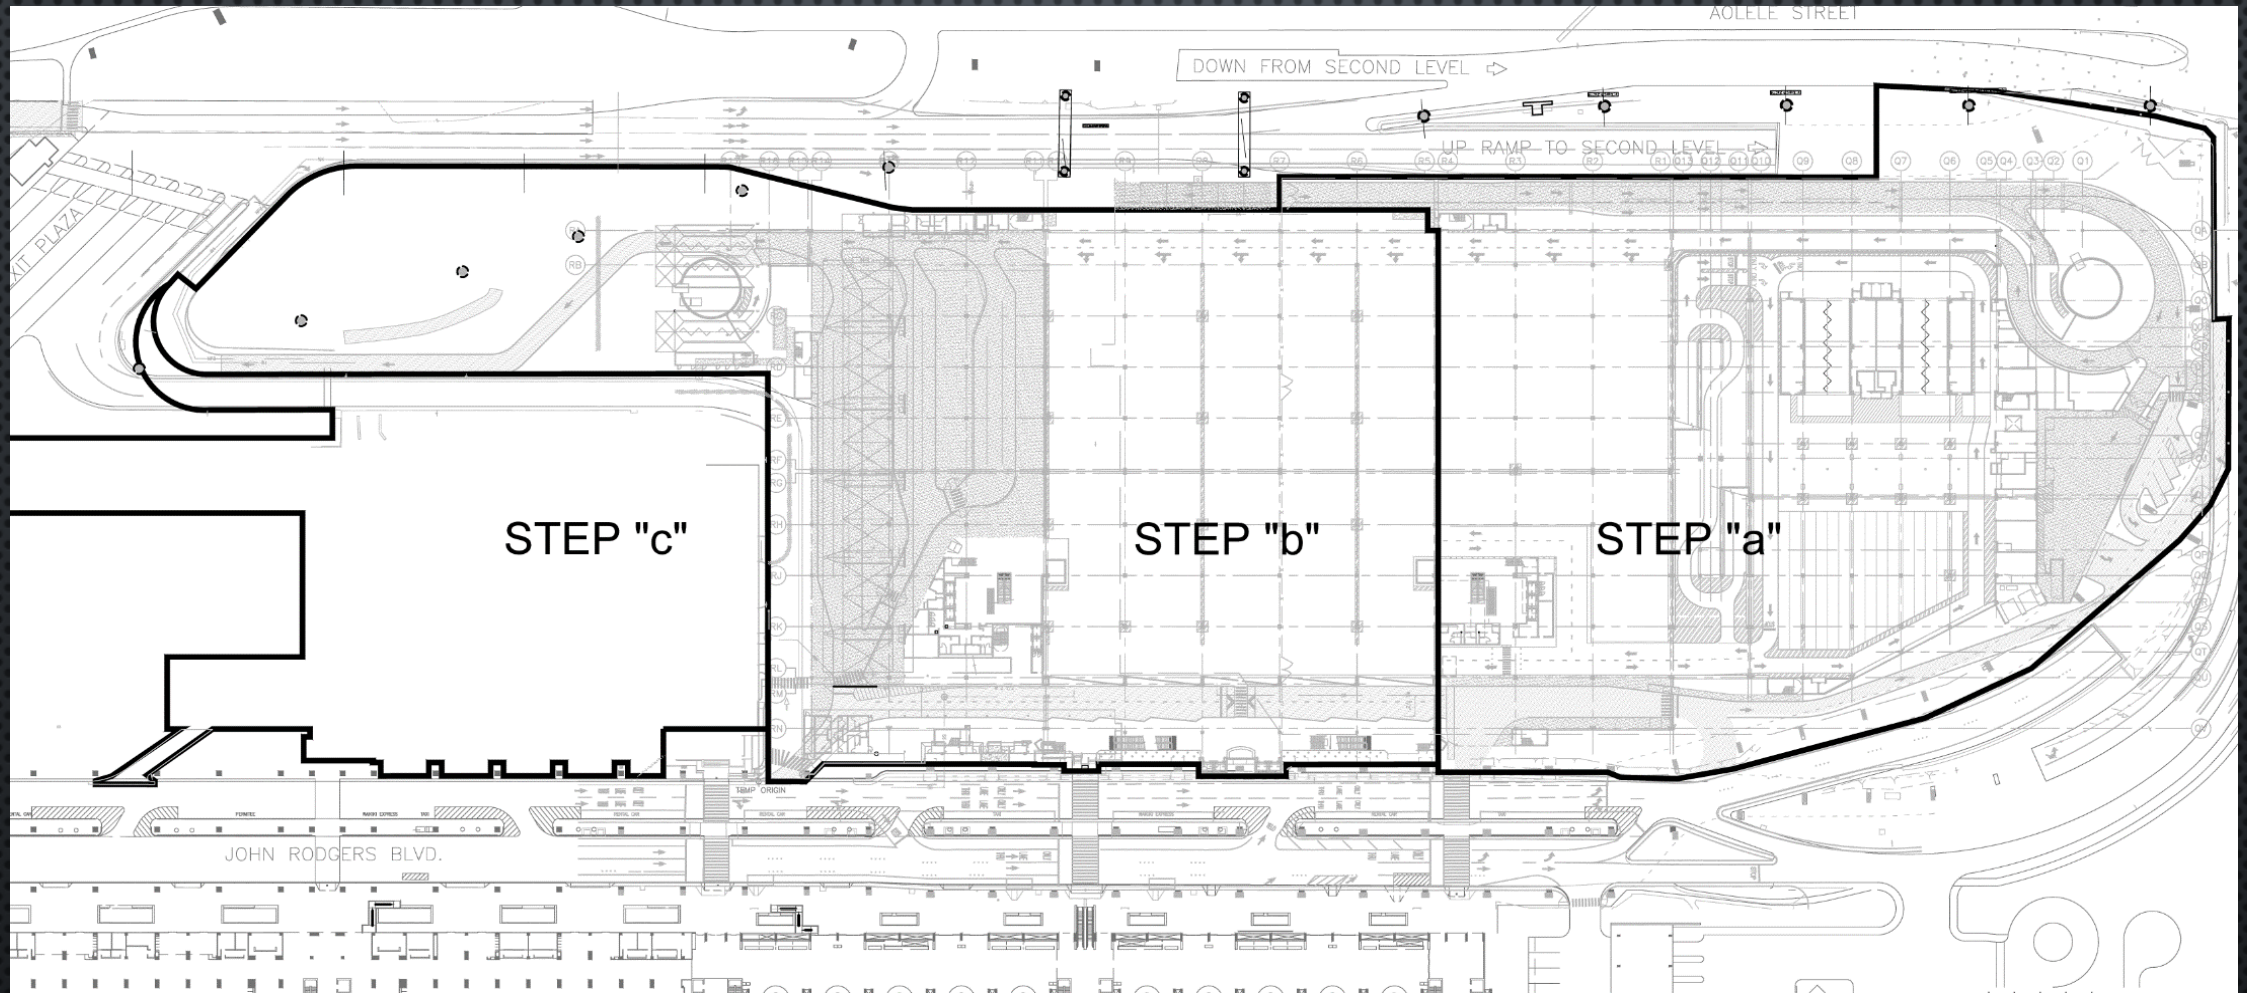

PROJECT SUMMARY

- **CONSTRUCTION ON THE NEW 5-STORY, \$330 MILLION CONSOLIDATED RENTAL CAR FACILITY (CONRAC) IS PUSHING AHEAD. IT WILL BE FINISHED BY THE END OF THE YEAR 2021.**
- **THE HONOLULU INTERNATIONAL AIRPORT'S NEW CONSOLIDATED RENTAL CAR FACILITY IS A FOUR LEVEL FACILITY AND ACCOMMODATES 2,250 READY/RETURN SPACES WITH AN ADJACENT MULTI-LEVEL QTA WITH 64 FUELING POSITIONS AND 16 CAR WASH BAYS. THE FACILITY INTEGRATES A GROUND TRANSPORTATION CENTER ON THE FIRST LEVEL AND A 35,000 SF CUSTOMER SERVICE BUILDING ON THE SECOND LEVEL.**
- **THE GROWTH IN AIR TRAFFIC IN HONOLULU HAS LED TO CROWDED ROADS AND JAM-PACKED PARKING GARAGES. THE NEW CONRAC SHOULD HELP RESOLVE BOTH OF THOSE ISSUES.**
- **THE PROJECT WILL MOVE ON-AIRPORT RENTAL CAR COMPANIES OUT OF A TEMPORARY FACILITY, FREEING UP NEARLY 900 MORE PARKING SPOTS FOR TRAVELERS TO USE FOR PARKING. THE NEW FACILITY'S 2,250 SPACES WILL ALLOW THE AIRPORT TO RELOCATE THOSE COMPANIES AS WELL AS THOSE THAT ARE CURRENTLY OFF-AIRPORT INTO ONE FACILITY. THIS WILL REMOVE SOME SHUTTLE BUS TRAFFIC FROM THOSE VENDORS NOT CURRENTLY ON-AIRPORT.**
